

CMNS 3000 Supplementary Resource

Conflict Management Case Discussion Questions

1. In your own words, describe teamwork.
2. List 5 skills that you believe are important for team members to have.
3. What is conflict management?
4. In weeks 4 and 8, you, Amelia and Brian gave your other 3 group members 0/5 on their peer review evaluations but failed to provide feedback for why they received this grade. Why was this a poor decision? Had you provided the instructor with feedback on their lack of work, how could this have changed the outcome of your group project?
5. What is a Team Code of Conduct? How could this document have been useful in this scenario?
6. During the week 10 class, you notice that Mathew, Seth and Sebastian are plagiarizing work, how should you handle this situation?
